

TAKE BACK LIC Community Series

For Greater Long Island City

**FREE & OPEN
TO THE PUBLIC**

Comprehensive Community Planning for:

Do you agree LIC is
overdeveloped and underserved?

Schools
Open Space
Infrastructure
Meaningful Jobs
Community Space
Climate and Resiliency
Truly Affordable Housing
Funding & Repairs for NYCHA
Protection for Small Businesses
No Development on NYCHA Lands
Affordable Artist & Small Manufacturing Space

Do you want
more say in your
communities' future?

Join your neighbors for a 2-part series
Let's fight back for a more liveable LIC!

PART 1

Saturday, August 25, 2018 11AM-2PM

The Variety Boys and Girls Club 21-12 30th Rd LIC

Learn how to stand up and speak out about
your concerns and vision for the neighborhood.
This workshop will include an introduction to
giving public testimony, art activism, and
performances by our youth!

PART 2

Wednesday, September 12th, 2018 7-9PM

New York Irish Center 10-40 Jackson Ave LIC

Learn about current and projected development
in LIC and the importance of climate change and
resiliency planning. This workshop will include a
visioning session to identify shared priorities and
goals for our community assets.

Food, Child Care, and Interpretation available at both!

A series presented by and in tandem with:

**Rally to be
Announced!**
